## Alzaluze Idra Metal Table Lamp with two-pin plug

Finish: Brass

Switch / Dimmer: Switch

### Product short description:

Alzaluze is a very versatile metal table lamp: you can use it to illuminate your nightstand, your desk or you can use it to have an extra light in that cozy corner of your living room.

The original “mushroom” shaped lightbulb gives the metal Alzaluze a sophisticated and elegant effect. Choose Alzaluze to accompany your evening reading or to create a refined atmosphere in your bar or restaurant.

You can purchase the metal Alzaluze with dimmer to regulate the light intensity based on your needs. Easy, no?
